

WSA Project Review
Smoke Exposure/Reduced Exposure Product Appeal, ETS, Repro
February 20, 2002
Conference Room JRC 43-1A

- 9:15 AM **Critical Projects: Smoke Exposure/Reduced Exposure Product Appeal**
- (N01317) Scientific Consensus - Determinants of the Amount of Smoke Exposure Davies, B
- 9:20 AM **Priority Projects: Smoke Exposure/Reduced Exposure Product Appeal**
- (N01166) Monoamine Oxidase Inhibitors (MAOIs) as determinants of exposure Davies, B
 - (N01318) Fading Study Davies, B
 - (N01319) EHCSS Sensory Modulation Studies Davies, B
 - (N01320) Determinants of Adult Smoking and Questionnaire Development Adams, C
(Davies to present)
- 9:45 AM **Critical Projects: ETS**
- (N01303) Chronic Effects of Room-Aged Sidestream Smoke and Diesel Engine Exhaust Stinn, W
 - (N01339) Chronic Effect of Room-Aged Sidestream Smoke and Diesel Engine Exhaust Teredesai, A
 - (N01340) ETS Children's Health Effects Consensus Group Dempsey, R
- 10:00 AM **Priority Projects: ETS**
- (N01154) ETS Exposure and Biomarkers of Exposure in the Total Exposure Study (TES) Lau, R
 - (N01343) Prepare a Literature Review on ETS Exposure (Levels) in Different Venues Lau, R
 - (N01346) Obtain Data Under Laboratory Environments for ETS Exposure Under Different Ventilation Regimes Lau, R
 - (N01344) Work closely with Legal (Regulatory) and Corporate Affairs to Establish Contacts with Outside Regulatory Agencies with the Long Range Goal of Developing a PEL for ETS exposure Based on Exposure Data with Accurate Epidemiology Lau, R/Sanders, E
(Lau to present)
 - (N01345) Distribution Analysis of Airborne Nicotine Concentrations in Indoor Environments Schorp, M
 - (N01342) Long-term Biomarkers of Tobacco Smoke Exposure Tricker, A
 - (N01099) ETS Exposure and Infection in Childhood Sanders, E
 - (N01102) Role of systematic biases in ETS epidemiology Sanders, E
 - (N01341) Epidemiological Study on ETS Exposure and Lung Cancer Sanders, E
 - (N01349) Plausibility of the Association of ETS Exposure with CVD Sanders, E

WSA Project Review
Smoke Exposure/Reduced Exposure Product Appeal, ETS, Repro
February 20, 2002
Conference Room JRC 43-1A

10:50 AM Secondary Projects: ETS

- (N01143) Characterization of ETS Exposure in the US Workplace Lau, R
- (N01155) ETS Testing Protocol Development Lau, R

- (N01104) Haemoglobin adducts of aromatic amines (AA) Schorp, M

- (N01105) ETS exposure and risk of breast cancer Tricker, A

- (N01347) Respiratory Symptoms and Infections - Analysis of Longitudinal Studies Sanders, E
- (N01348) Asthma Induction in Children - Meta Analysis Sanders, E

11:20 AM Critical Projects: Repro

- (N01338) Maternal Smoking Consensus Dempsey, R

11:30 AM Adjourn
